Pearland, TX 77584

Re: Respondent: Dottie Harrison
UPLC File No. HOU-03-057-PO

Dear Ms. Harrison:

I am a member of, and investigator for, the Houston Subcommittee of the Unauthorized Practice of Law Committee for the Supreme Court of Texas. The Supreme Court of Texas has authorized the Committee to investigate and, if the facts warrant, seek redress in the form of injunctive relief against persons engaged in the unauthorized practice of law in the State of Texas.

Your conduct in connection with a lawsuit entitled Dr. Mark Nichols and Mark Lyn Nichols v. Harry A. Harrison and Dottie Harrison in the 133rd Judicial District of Harris County, Texas has been brought to the attention of the Committee and I have been assigned as the investigator for the Houston Subcommittee. Based on the information we received so far, it appears that you attempted to act as the attorney for your husband in that litigation. According to the records of the State Bar of Texas, you are not an attorney licensed to practice law in Texas.

The Unauthorized Practice of Law Committee will conduct a hearing on this matter at the time and place noted below:

Date: Tuesday, August 17, 2004
Time: 1:15 o'clock p.m.
Place: South Texas College of Law, Room 316
1303 San Jacinto, Houston, Texas

You will be placed under oath and will be questioned about your conduct that gave rise to this investigation.

You will have a reasonable opportunity to present information and evidence on your behalf. The hearing will be recorded by non-stenographic means, namely by videotape and/or audio tape recording.

Subsequent to the hearing, the Committee will meet in closed session to discuss the further disposition of this matter.

You are entitled to be represented in this matter by an attorney of your own choosing. We urge you to attend the hearing so that the Committee will not move forward without the benefit of your responses. We look forward to your appearance.

Very truly yours,

Rita M. Irani
Investigator
Houston Unauthorized Practice of Law Committee
District 4 Subcommittee
